## INBETRIEBNAHME

**Step 1:** To switch on press the button in the middle (Play/Pause) until a blue LED starts blinking and you hear "Power on". To switch off, press the same button (Play/Pause) until the LED stops blinking and you hear "Power off".

**Step 2:** To connect with a bluetooth device: Press the Play/Pause button until the LED starts blinking red and blue alternately and you hear "Pairing". Now the earmuff can be found by the bluetooth device and is ready for pairing.

**Step 3:** Switch on bluetooth at your device and look for "MTO Bluetooth earmuff" and connect. At first pairing the LED blinks blue and you will hear "Paired". Once successfully paired the earmuff will connect automatically to your device.

**Step 4:** To play music use the button in the middle (Play/Pause), the one above

(forward) and below (backward). To adjust volume long press the above button (volume up) or the below button (volume down).

**Step 5:** In case of an incoming call the number will be pronounced. To answer or hang up press the Play/Pause button. To redial the last number press the Play/Pause button shortly twice.

## CHARGING THE INTEGRATED BATTERY

When the battery is low (about 20% left) the speaker alerts acoustically. At 15% it switches off Bluetooth automatically. In this case, charge the speaker as soon as possible. Use the included cable to charge. The red indicator light will stay on while charging. Once it has finished charging, the indicator light will go out.

## SAFETY NOTES
