### New iPad Protection Case with

detachable Bluetooth keyboard

Product number: SI54072

### Thank you for purchasing our New iPad Protection Case with detachable Bluetooth-Keyboard

We hold several brands to produce and distribute our products: LEICKE (power adapters, batteries), KanaaN (adapters/converters, charging cables etc.), Sharon (iPad cases with keyboard, fans etc.), Hebron (protective cases, docking stations, screen protectors etc.) and Manna (notebook cases).

We continuously work on the further development of our products, our customer support and innovations. Our products have a long service life, are eco-friendly and high performing. Furthermore, every day we do our very best to satisfy you as our customer. That is why you, no matter if private or business customer, are in the focus of our company's efforts. We take your reviews and proposals seriously and evaluate them continuously. That way, we get to know you and your demands on our products and services better and thus allow for positive enhancements.

To discover more about LEICKE products, or if you have any questions about this product, visit our website www.leicke.com (production & wholesale) or www.leicke-distributor.de (distribution) and feel free to contact us.
